- 
- Would your Interact Club be interested in helping set-up Interact Day this year along with other Interact clubs?
    - Liaisons from both Chelsea Interact Club and Royal Oak Interact Club are part of the new and growing team to coordinate Interact Day in the fall of 2016. If your Interact club is interested in participating with this planning or aid in its discussion please do join us at our next meeting (as always every 3rd Thursday of the month) on April 21, 7:00 PM in Google Hangouts, or click [here!](#)

- Would your Interact Club be interested in leading a short break out session?
  - It could be anything from project planning, discussing a project(s) that your club would like to share, or bringing in your own speaker to talk about a special cause! Let us know if you would and contact us!

## Communication

- What's working?
  - Feedback strategies for our district such as discussing engagement and news updates provided by Interact clubs within our district
    - It was talked about at the meeting how some clubs felt like they didn't know a whole lot about other clubs or what projects they're doing. How actively in contact is your Interact club with the rest of district 6380? Sending a liaison to join our monthly meetings is a step in the right direction.
- How does our social media campaign look and what can we do to enhance it?
  - How often is the [#Interact6380](#) used by your Interact club when posting Interact related news?
  - Reminder: all interact clubs are able to update our website at [www.interact6380.org](http://www.interact6380.org)! You can add a page about your Interact club talking about the projects and causes that you all support. Be sure to log in at [www.weebly.com](http://www.weebly.com) and contact us at [interact6380@gmail.com](mailto:interact6380@gmail.com) for the username and password or any other questions!

If you have any questions or concerns feel free to ask as we'd be happy to answer at [interact6380@gmail.com](mailto:interact6380@gmail.com) !
