Part Two: How Do We Get There?

What Kind of Plan Can We Make?

1. What will we do?
2. Why are we doing it?
3. Who will be involved?
4. How will we do it?
5. When can we start? Finish?
6. How is it sustainable?
7. How are all accountable?
8. How is it fun?

Drafting a Plan to Improve Our Grade

A Sample Plan			
What	Hold an annual August planning luncheon	When	Mid or Late August before the school year starts
Why	To help us coordinate our projects and get to know each other	Sustainable	Rotary should annually budget \$100 for the luncheon
Who	Rotary president and liaisons, Interact officers and advisor	Accountable	Interact Constitution and description of office responsibilities should include planning meeting. Rotary calendar should include annually.
How	Arrange the dates in spring when new Interact officers elected	Fun	Food is fun!
