

Meet your world.

ROTARY YOUTH EXCHANGE

Application
Deadline is

"I finally got to see the forests of Germany and the vineyards of Italy. It's amazing how much smaller the world feels to me now. Before I always thought it was untouchable, so many places that I'd never get to visit. Now it seems so accessible, so ready for the taking. I've made so many friends around the world, now I have so many excuses to go and visit them!" - Aaron
